Hallowe'en

Hallowe'en

On the last night of October, each year, it is the custom for the younger generation to get busy and upset all small buildings and move everything that they possibly can onto the public thoroughfare, which does no particular harm if it is not carried to excess, but in their hilarity sometimes there is more or less destruction of property. This latter mischief should not be permitted.

An Exide Battery will start your car on cold mornings. It will add pleasure and comfort to your winter driving.

When you use Autolene oil you are economizing.
Its use lengthens the life of your motor as well as decreasing maintenance costs.

A leaky radiator can be quickly repaired with Solder Seal. It is easy to install and the results are guar-anteed to give satisfaction.

This cold weather means a greater coal consump-tion. We can supply your needs promptly now. See us today so that cold weather does not find your supply

Country Girl (to city cousin): "Out on our ranch we ride horses bareback."
